Ignite Innovation from TRIFIC SEZ, your launchpad gateway to global Tech influence

Young **African start-ups are making headway** in cutting-edge sectors and attracting the attention of major organisations, such as the World Economic Forum.

The continent has been at the forefront of utilising technology to spur development, skipping landlines in favour of mobile phones and embracing e-banking and mobile money. With the world's largest free-trade area and a high entrepreneurship rate, **African tech innovators are creating some of the most groundbreaking solutions globally.** The potential for tech in Africa is vast, and the time for action is now.

TRIFIC SEZ **empowers** tech start-ups by enabling them to reinvest tax incentives into growth and competitive pricing, allowing them to thrive on a pan-African and global scale.

Why Choose TRIFIC SEZ?
